

SINCROINIZACIÓN MANDO LIGHT

Pls try to sincronize the new remote control as follows:

Remote control key adaptation operation steps

- 1、 Power off the vehicle and turn the left combination switch button to stop at the OFF position.
- 2、 Turn the left combination switch button and perform 3 cycles between OFF and  gear before finally stopping at  gear.
- 3、 Operate the right brake lever (2 times), then the left and right steering lights will light up.
- 4、 Press the " " button on the remote control.
- 5、 Power on the vehicle, and after the startup animation is completed, power off the vehicle.
- 6、 Complete the operation and test the remote control.
